If you wish to practise your part beforehand, you can download MIDI files for the music from websites such as: [www.learnchoralmusic.co.uk](http://www.learnchoralmusic.co.uk); [www.johnfletchermusic.org](http://www.johnfletchermusic.org); [www.cpd.org](http://www.cpd.org); [www.prestomusic.com](http://www.prestomusic.com) .

Also, you may find ‘ChordPerfect’ especially helpful as it includes a professional singer who sings the words for your part. The ChordPerfect website contains most major works that are no longer in copyright: <https://www.chordperfect.com/>.

Alternatively, you can buy a CD of your part from Choraline, [www.choraline.com](http://www.choraline.com) or use the Choraline ‘app’ to purchase and download music.

The speed may be slowed down using Windows media player by ‘right clicking’ on the window and selecting ‘Enhancements’ and then ‘Play Speed Settings’.

Vocal scores may be borrowed from your County Library store, or lent to you by the host choir in advance (deposit may be needed), or bought from your local music shop or from Choraline.

To research other ‘Come and Sing’ days/events/workshops, try googling the internet or try going to the website of a specific choir or visit British Choirs on the Net, [www.choirs.org.uk/](http://www.choirs.org.uk/)
